WARRANT FOR THE ANNUAL TOWN MEETING

State of New Hampshire

(L. S.)

To the Inhabitants of the Town of Canterbury in the County of Merrimack in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Canterbury on Tuesday, the twelfth day of March next at ten of the clock in the forenoon to act upon the following subjects:

(Polls open from 10:00 a. m. to 7:00 p. m.)

1. To choose all necessary Town Officers for the year ensuing. Meet at seven of the clock in the evening to act on the rest of the articles in the Warrant.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the town will vote to give the Selectmen authority to borrow money in anticipation of taxes.

4. To see if the town will authorize the Board of Selectmen to sell, lease or otherwise transfer real estate property acquired by the town by Tax Collector's deed in a manner for the best interest of the town.

5. To see if the town will vote (a) to purchase approximately four acres of land adjoining the Maple Grove Cemetery from the Canterbury United Community Church in order to expand said cemetery or (b) to utilize approximately four acres of the so-called Industrial Land owned by the town between Route 93 and the land of Norton Hildreth to establish a new cemetery.

6. To see if the town will vote, if action is voted under (a) or (b) in Article 1, to borrow $1,000.00 to be used in acquiring land, clearing, grading or constructing an access road by issuing a series of notes bearing interest not in excess of 4% per annum with repayment of $100.00 annually for ten years.

7. To see if the town will vote, if action is taken on Articles 1 and 2, that the Moderator appoint a cemetery committee which will submit articles for the warrant for the town meeting of March, 1964, concerning the administration of, and rules and regulations for, the town cemeteries.

8. To see if the town will vote to adopt the following amendments to the Zoning and Building Ordinance proposed by the Planning Board.

1. To amend Article II Section 3 of said ordinance by inserting following the word "dwelling" the words "without first obtaining a permit, and may not be so occupied," and striking following the word "days" the words "without first obtaining a permit and," so that the section as amended shall read as follows:

> "No trailer or mobile home may be occupied as a dwelling without first obtaining a permit, and may not be so occupied for a period of more than thirty days unless such trailer or mobile home conforms to all the general and specific regulations applicable to the zone in which it is located, except Sections 3, 4 and 6 of Article III."

2. To amend Article II section 6 by striking the word "structure" in the second line thereof and substituting the words "building, trailer or mobile home"; and by striking the word "building" in the fourth line and substituting the word "it"; and by striking the word "structures" in the eighth line and substituting the words "buildings, trailers or mobile homes," so that the section as amended shall read as follows:

"No permit shall be issued unless the building, trailer or mobile home will present a reasonable appearance and will be in keeping with the neighborhood and unless it is to be finished on the exterior in a permanent manner and is to be suitably painted on the outside whenever the same is wood or material customarily painted. This is intended to eliminate the erection of buildings, trailers or mobile homes obviously out of place for the neighborhood as judged by the property values and neighborhood character."

3. To amend Article III Section 1 by striking the first sentence thereof and substituting therefor the following:

"Every new building required a permit shall be set back at least 35 feet from the edge of the travelled portion of the nearest right of way . . ."

4. To amend Article III Section 2 by striking the words "the minimum size building lot shall have 150 feet frontage on a right of way and shall contain one acre of land" and substituting therefor the following:

"House lots shall include at least one acre of land with at least 150 feet of frontage on a right of way for each building requiring a permit; . . ."

5. To amend Article V Section 2 striking it in its entirety and substituting the following:

"The administrative authority may issue permits for the construction of camps not intended for continuous use as a dwelling that specifically state such building need not conform to the building requirements of Article III of this ordinance. If such building is used as a dwelling for more than one hundred days in any period of twelve months it must conform to the building requirements of Zone A."

9. To see if the town will vote to raise and appropriate the sum of $1,000.00 this year and authorize the Selectmen to borrow the sum of $3,000.00 to be repaid at the rate of $1,000.00 a year for the next succeeding three years for the purpose of purchasing and installing a new motor, pump, booster hose, reel, and nozzles on the International Fire Truck.

10. To see if the town will authorize the Board of Selectmen to use funds from the income of the Sam Lake trust fund, with the approval of the trustees, to repair the doors on the town garage and install electrical devices for opening and closing these doors.

11. To transact any other business that may legally come before the meeting.

Given under our hands and seal, this twenty-third of February, in the year of our Lord nineteen hundred and sixty-three.

ARTHUR G. BROWN,
SARGENT GOODHUE,
CHARLES H. DEAN,
Selectmen of Canterbury.

CLERK'S REPORT OF THE MARCH 13, 1962 ANNUAL TOWN MEETING

Meeting called to order by the Moderator Carl Thunberg at eleven A. M. Posting of the Warrant and certification of check list were read. The assembly voted to work under Article One namely election of officers until seven P. M., and to close the polls at that hour; after that hour, to consider the Budget items, to be followed by consideration and action on the articles of the warrant. The polls were accordingly declared closed at the hour as approved, as above, The result of balloting as follows:

Selectman, Charles Dean for three years.
Town Clerk, Sabin N. Guertin, one year.
Town Treasurer, Richard A. Dickson, one year.
Tax Collector, John C. Malcolm, one year.
Road Agent, Philip K. Stone, one year.
Auditor, Frank R. Trask, two years.
Library Trustee, Mary C. Mudge, three years.
Trustee of Trust Funds, Virginia W. Dudley, three years.

Total number of votes cast, 142.

Action on the Budget Items all accepted as read except care of cemeteries which was raised two hundred dollars from three to five hundred dollars. Making a total Budget of $35,240.61.

Next came Articles of the Warrant.

Article Two as Stated above.

Article Three. To see if the town will vote to give the Selectmen authority to borrow money in anticipation of taxes. Accepted.

Article Four. To see if the town will authorize the Board of Selectmen to sell, lease or otherwise transfer real estate property acquired by the town by Tax Collector's deed in a manner for the best interest of the town. Accepted.

Article Five. To see if the town will vote to appropriate two thousand dollars from the cash surplus, and one thousand dollars from the capital reserve fund established in 1961 to trade the present International tractor and loader for a new tractor and loader. Accepted.

Article Six. To see if the town will vote to raise and appropriate the sum of one thousand dollars this year, and authorize the Selectmen to borrow the sum of two thousand dollars to be repaid at the rate of one thousand a year for the next succeeding two years for the purpose of installing a central heating system and relocating the Town Offices in the basement of the Town Hall. Amended to read "and to house the school bus in the town garage." Accepted as Amended.

Article Seven. To see if the town will vote to accept from the State of New Hampshire approximately 116 acres of land lying east of the railroad, west of Route 93 and north of the Canterbury-Boscawen road for development as an industrial area: to raise and appropriate a sum not exceeding one thousand dollars to purchase said land and enable the town to acquire a right of way to said land by purchase or condemnation from the Boston & Maine Railroad or other abuting owners and then give the Selectmen authority to borrow not to exceed this amount, with such borrowing to be paid from the proceeds of the sale of any such land: to authorize the Selectmen to sell at such price as they deem appropriate all or any part of said land for industrial use subject to approval by the Zoning Board of Adjustment as re-

quired by the Zoning Ordinance. This article also accepted.

Article Eight. To see if the town will vote to raise and appropriate the sum of $700.00 to replace electrical wiring and fixtures in the Elkins Public Library. Accepted.

Article Nine. To transact any other business that may legally come before this meeting. No further business appearing the meeting declared closed, and so adjourned.

A true report to the best of my knowledge and belief.

REPORT OF THE CANTERBURY PLANNING BOARD

Your Planning Board devoted most of its attention in 1962 to three questions, namely, re-examination of the Zoning and Building Ordinance, the cemetery problem and plans for the development of the industrial land. Articles pertaining to all of these are in the warrant for your action.

The Zoning and Building Ordinance has been carefully reviewed in joint meetings with the Selectmen. It appears basically sound but there have been some minor difficulties in administration due in part to language in several paragraphs that did not make the intent perfectly clear. The proposed changes are intended primarily as clarifications.

The Board is greatly concerned by the ever increasing tax burden on property owners. The present school enrollment makes it certain that the cost of high school tuitions will be sharply higher in a few years while a steady increase in other school and town expenses seems probable. Some form of State collected, broad based tax, with the funds returned to the towns to assist in meeting rising school costs, seems to be the only possible solution. New Hampshire now raises a larger proportion of its total taxes by taxing real estate property than do 90% of the states in this country. A study of this question and a clear demand by the voters of the Town for State action on this problem is of primary importance.

ELKINS PUBLIC LIBRARY

Trustees' Report

The most important single activity of your library last year was the replacement of the electrical wiring and fixtures. Your library is being used much more in the evening through additional library hours and for meetings of town officials and committees. The new lights have greatly increased its usefulness.

Several programs previously started have been continued or expanded. The library is open for public use on Saturday afternoons and on Tuesday and Thursday evenings. The family movie program has proven so popular that it had to be moved to the Parish House to accommodate the audiences.

Formerly the library was open for the students at the Elementary School every other week. In addition we are now opening it for the sixth, seventh and eighth grades every week. Cooperation between the school and the library is excellent.

Your library is continuing the cooperative book purchasing program with the Shieling Trust and the State Library.

Your librarian, Mrs. Fowler, continued her studies at the librarians' summer school at the University of New Hampshire. You will note in her report that book circulation has doubled in the past two years.

National Library Week was observed with a full program, in which both Junior and Senior Friends of the Library took a very active part. These efforts brought the Elkins Library second prize which was a complete set of Americana Encyclopedia.

Your trustees are very grateful to both Junior and Senior Friends for their assistance and cooperation. This help has made possible the added hours the library is open to you, the re-examination of the old books on the shelves and the extra programs such as Library Week.

Many of the new books you have had available to read have been the gift of Mrs. Marion Rudkin. Other special books were the gifts of the Canterbury Woman's Club, the Canterbury Shakers and Mr. Dudley Laufman.

If you want special books which we do not regularly have at the library your librarian can usually get copies for you from the State Library.

Your trustees will be interested in receiving suggestions from you regarding additional library openings or other ways in which your library can serve you.

WILBUR E. THOMPSON,
JEANNE MALCOLM,
MARY MUDGE,
Library Trustees.

REPORT OF THE CANTERBURY VOLUNTEER FIRE DEPARTMENT, INC.

The Fire Department made 21 runs during 1962. Six of these were out of town. The remaining were: Chimney 3, Dump 2, Brush 5, House 2 and Out on Arrival 2. Two homes were a total loss and one was saved enough so it was able to be restored.

The Fire Department launched a program to mark all water holes.

A training program sponsored by the State Board of Education was started late in the year and will continue next year.

As your new chief I have been both pleased and encouraged by the fine co-operation of members of the Fire Department, townspeople, and neighboring Fire Departments.

The Ladies Auxiliary purchased a two-way radio for the Fire Chief's car making a total of 3 mobile radios in the Department.

A Rescue Squad under the direction of Lawrence Carbonneau has been organized. The only piece of equipment to date is a stretcher purchased by the members of the Department.

Your Fire Department stands by to help you in any emergency. We would much rather make a run and find we were not needed than to arrive too late. Don't be hesitant to call for help. Your Fire Department Phone No. is 783-6777.

ROBERT V. LEE,
Fire Chief.

Preventing Forest Fires Is Our Responsibilty

Costs of suppressing carelessly set outdoor fires in New Hampshire in 1962 cost the persons responsible $5,545. In the same period, the cost to the cities and towns for control of such fires for which no responsibility could be placed cost another $24,634. What utter waste of tax money and what shameful and needless loss of timber and esthetic values in the 2200 acres burned. Residences, farms, and other business places were threatened with possible total destruction.

Carelessly set man caused fires can be prevented if every citizen remembers his responsibility in regard to any source of fires in the open. We can help to keep our fire loss low by remembering these simple rules.

1. Dispose of burnable waste at the town dump.

2. If waste or brush is to be burned on the premises, obtain a permit from the forest fire warden. Seasonal permits may be issued for approved incinerators and sites.

3. Burn safely by picking a clean site, avoiding dry windy weather and preferably burning late in the day.

4. Have something to keep the fire under control — pails of water, garden hose, sprinkling can, broom for grass fires or shovel will help.

5. Be sure your fire is dead out before you leave it.

6. If the fire gets out of control or if you see a fire out of control, report promptly to your warden or fire department. Continue to fight it until help arrives.

There is a potential danger when matches fall into the hands of children. It is never too early for parents to instill in the child's mind a respect for fire.

Keep our town safe from fire.

In 1962 we had 6 fires.

We burned 20 acres.

Permits issued, 65.

GERALD H. HIGHT,
District Fire Chief

COLIN HEATH,
Forest Fire Warden, Canterbury

REPORT OF TOWN AUDITORS

We have examined the records of Town Treasurer, Town Clerk, Tax Collector, Trustees of Trust Funds, Road Agent, Elkins Public Library, Canterbury Volunteer Fire Department and the Selectmen for the year ended December 31, 1962 and have found their accounts correctly cast and properly vouched.

ARCHIE W. BERRY,
EDGAR ABBERTON,

SCHOOL WARRANT

The State of New Hampshire

To the Inhabitants of the School district in the town of Canterbury qualified to vote in district affairs:

You are hereby notified to meet at the Canterbury School in said district on the ninth day of March 1963 at six forty-five o'clock in the afternoon, with the moderator opening the meeting, declaring the polls open for voting from six forty-five o'clock to seven-thirty o'clock and from eight forty-five o'clock to nine o'clock for school district officials and declaring the business section of the meeting open at seven thirty o'clock for action on articles 5-14 inclusive.

1. To choose a Moderator for the coming year.

2. To choose a Clerk for the ensuing year.

3. To choose a Member of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.

6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the District, in accordance with Chapter 194 Section 3 of New Hampshire School Laws, codification of 1955, will authorize the School Board to purchase a school bus and enter into such contracts as necessary to finance the same, including issue of notes up to the purchase price of the vehicle, and using the vehicle as security.

10. To see if the District will vote to authorize the appropriation of the sum of one thousand dollars ($1,000.00) for a partition and renovations in a classroom, in accordance with the Municipal Finance Act R.S.A. c33 or otherwise and to authorize the School Board to take such other action with respect thereto as may be necessary or desirable.

11. To see if the District will vote to authorize the School Board to exceed its current budget to pay additional tuition charges, social security and special transportation and use income from Valley Trust Co., Special Class tuition and interest from the Standish Fund to make up the increase, with the balance to remain in the general fund for 1963 tax reduction.

12. To see if the District wishes to sell any or all

antique settees belonging to the District by auction or other suitable method.

13. To see if the District will authorize the School Board to cooperate with other Boards from surrounding communities in studying possible cooperative school plans and appoint such additional committee members as necessary when the need arises.

14. To transact any other business which may legally come before this meeting.

Given under our hands at said Canterbury this Fifth day of February 1963.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Members of the School Board,
Parents and Citizens:

This report concerns the general statistics of the Canterbury Schools which are important in the educational history.

The new accounting system required by the State Tax Commission and the State Education Department, in order to operate the same financial systems used in other states, makes it difficult to compare with other years. This system was made effective on July 1, 1962 and the budget voted in March, 1962 had to be changed to the new system.

I wish to express my appreciation to the Canterbury School Board, Chairman Richard Stevens, Neal Andrew and Douglas Ruesswick for their devotion to the interests of improving the Canterbury Schools and the education for children without increasing the tax rate beyond reasonable limits. They have used hours and days of personal time beyond the numerous lengthy board meetings to study school problems. They are very conscientious men dedicated to public service.

May we hope that the 1963 Legislature will increase the state aid to take the burden off the property tax payers and provide better education for all the children of the state.

My appreciation is expressed to the Principal and Teachers, the Parent-Teacher Association, the Bus Operators, the Custodian, the Parents, and all civic groups who have cooperated with the Canterbury School.

Cordially yours,

GORDON L. FOX,
Superintendent of Schools

REPORT OF THE SCHOOL BOARD

During the current school year your Board has been involved in three major activities as well as the regular duties which constitute the job of being school board members. We wish to bring these activities to your attention for information and action where necessary.

Starting July 1, 1962, the entire financial accounting system was revised by the State Department of Education. Through the efforts of the secretarial staff in the Superintendent's office, the current budget was converted to the new system. The figures shown for 1962-1963 are those approved at the March 1962 meeting. Only the titles have been changed to conform to the new regulations.

Our second major consideration, and the most important, has been the operation and evaluation of the educational program. One of the primary needs for a sound education is a good teaching staff. We were fortunate enough to employ such a staff for the current school year.

Mr. Gene Stearns was employed to teach grades 6, 7 and 8 and to assume the duties of Principal. Miss Mary Carpenter has assumed the duties for Grades 2 and part of 3, and Mr. Normand Valliere grade 5 and part of 4. Mrs. Frances Smith continues to have parts of grade 3 and 4 with Mrs. Sarah Hill teaching grade 1. Thus we have a complex system of split and multiple grades with a staff of 5 serving 8 grades.

Early in the school year the teachers requested and were supported in extending the school day another ½ hour in an attempt to provide more adequate teaching time without curtailing educational opportunities.

The staff and your Board realize, however, that even with this extension of time it is impossible to do more that a minimal job with the wide range of abilities in a split and multiple grade situation.

We have up to the present time been able to maintain a separate first grade thereby allowing a maximum of time in the important first year of formal education. With only eight graduates and a first grade of 20 it would be necessary to eliminate the separate first grade and assign part of grade 2 to the first grade teacher this fall. In addition it would be necessary to split an additional upper grade to reasonably equalize teacher load. This would still require 3 grades under one teacher at the upper level.

To provide a minimal education for our Canterbury elementary students by maintaining a well qualified staff and to provide as adequate a facility as possible under our limited conditions we must add another teacher and classroom this fall. This still will not provide the recommended one grade per teacher but will help improve the present teaching situation with a minimum of split and multiple grades.

Our third major consideration has been a concern for the future education of our high school youth. Early this school year Englehardt Associates of New York completed a study of the Penacook school situation. Penacook is faced with expansion and replacement problems.

Already they have requested that Concord allow them to become part of the Concord School District and eliminate Penacook High School. This initial request has been turned down but legislative action may allow them to accomplish this. Concord would then be faced with a larger Junior and Senior High School enrollment possibly requiring a restriction of tuition students. If,

however, Penacook remains open they may also be faced with excess enrollment and be forced to restrict tuition students to accommodate their own pupils. Either situation could drastically affect Canterbury. The Englehardt report suggests an alternative proposal of a cooperative school including Penacook, Boscawen, Canterbury and others. We feel strongly that this is a good place for us to start and request authority to do so under Article 13 in the warrant. This movement toward a cooperative or regional school may have a most important effect on our entire community in years to come.

We have outlined here three important activities in which we are engaged. Only you, the voter, can move these things forward to their satisfactory completion. The decisions made at the March 9 meeting in the school can be of great importance to our entire community. We hope you will be there to participate in these important decisions.
